Drug Prevention Program

The School distributes this policy to all staff members at the start of employment and to all students at the start of their enrollment. The policy is updated at least annually and is available via the school website at all times at www.cincinnati-school-of-barbering.com

The School prohibits the unlawful possession, use or distribution of illicit drugs and alcohol by students and staff on the property or as part of any School activities. The School will immediately contact law enforcement officials to report all unlawful activities. The health risks of the use of illicit drugs and alcohol abuse require providing education and referral for students and staff. The School provides education annually and refers students and staff to local services. Area drug abuse information, counseling, referral and treatment centers information is made available to students or staff members. The School will expel students and terminate staff involved in unlawful possession, use or distribution of illicit drugs and alcohol. The School will refer such cases to the proper authorities for prosecution. Students and staff may be reinstated upon completion of an appropriate rehabilitation program.

Cincinnati School of Barbering & Hair Design, Inc. – Cincinnati, Ohio

Consumer Information 2019

As a condition of employment, employees must notify The School of any criminal drug statute conviction for a violation occurring in the workplace not later than five days after such conviction. There are serious legal sanctions for illegal use of drugs and/or alcohol. There are serious health risks associated with such use. Health risks associated with the use of illicit drugs and the abuse of alcohol include: impaired mental and physical health, neurological disease/damage, memory and intellectual performance interference, mental and physical depression, uncontrollable violence, impulsive behavior, convulsive seizures, homicide, suicide, cardiac disease or damage, cardiovascular collapse or heart failure, gastrointestinal disease or damage, ulcers or erosive gastritis, anemia, liver and pancreatic disease, liver failure or pancreatitis, deteriorating relationships, and death. All students and / or staff at The School must understand The School's policies as stated above and recognize their impact if the law is broken in relation to drug and/or alcohol use. The School reviews its Drug Prevention Policy and effectiveness of sanctions imposed every **two** years.

- The dismissal that may occur following a final determination of the said proceedings regarding The School Drug Policy prohibits the possession, use, and sale of alcoholic beverages to anyone on our property or as part of any of our activities.

- In some cases, conviction of drug-related offenses could result in the student's ineligibility of Title IV funding or other forms of financial assistance.

Sex Offenses

If you are a victim of a sexual assault at this institution, your first priority should be to get to a place of safety. The School strongly advocates that a victim of sexual assault report the incident in a timely manner. Time is a critical factor for evidence collection and preservation. An assault should be reported directly to a member of EDT. Filing a police report will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions from officers. Filing a police report will:

- Ensure that a victim of sexual assault receives the necessary medical treatment and tests, at no expense to the victim;
- Provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, use the toilet, or change clothing prior to a medical/legal exam);
- Assure the victim has access to free confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention.

Various counseling options are available throughout the county and can be found through the Police Department.

Per the Department of Education the accused and the victim will each be allowed to choose one person who has had no formal legal training to accompany them throughout the hearing. Both the victim and accused will be informed of the outcome of the hearing. A student found guilty of violating the School sexual misconduct policy could be criminally prosecuted in the state courts and may be suspended or expelled from the School for the first offense. Student victims have the option to change their academic and/or on-campus living situations after an alleged sexual assault, if such changes are reasonably available. Both the accused and the victim will be notified of the results of the hearing.

A complete list of Sex Offenders can be found at www.familywatchdog.us

Emergency Notification- Immediate notification of an unforeseen combination of circumstances that calls for immediate action. Emergency Notification will be in written form, posted on the front and back door of The School as well as distributed by SMS to staff members and students.

Emergency Response Procedures

At the time of an urgent unanticipated event, staff members will assess the situation to determine the significance of an emergency. In the event of an emergency, staff and students will be notified by either verbal communication (for students currently in the building), or written communication/ SMS (for students not in attendance) to notify them of the particular situation. A count for all staff, students and guests will be taken as soon as reasonably possible to ensure all are accounted for at the time of the emergency. Without delay, all students will receive notification of the emergency by written communication in the form of a text message from the **Emergency Decision Team**.

Cincinnati School of Barbering & Hair Design, Inc. – Cincinnati, Ohio

Consumer Information 2019

Emergency procedures will be **tested twice a year**. Owners and staff will evaluate the testing results and implement improvements needed to secure the safety of all concerned.

Emergency Procedures Due to Criminal or Terrorists Threats:

Upon receipt of information pertaining to a threat during business hours, the person receiving the information should notify a staff member of the impending or occurring emergency. The staff member will respond to the immediate situation when necessary and will contact civil authorities to determine appropriate action which may include evacuation of entire campus for a length of time to be determined based on the situation at hand. If necessary, The School will post on outside doors the time class will resume. In the event that staff, students and guest would be safer inside the building the EDT will direct everyone to an internal room in the School.

- Or has been indicated by radar
- Public warning will come over the radio.

Fire Drills

In A Fire Emergency

- If you smell smoke or see fire, report it immediately to an educator. A warning will then be given over the intercom system. Do not panic. Proceed as follows:
 - Students in the salon area exit single file out the front doors. **If you have a guest at the time, the guest is your responsibility.**
 - If exiting out the front doors of the building, please report to the school parking lot across the street from the school and **remain there until a member of the EDT is able to take an accurate count of staff, students and guests.**

 - An evacuation map may be found in the student lounge and near the front desk.

VIOLATION OF FIRE SAFETY RULES PUTS LIVES IN JEOPARDY. TAMPERING WITH FIRE ALARMS OR FIRE EQUIPMENT CAN RESULT IN FINES AND POSSIBLE INCARCERATION ACCORDING TO STATE LAW.

In case of serious accident or illness:

- Call 9-1-1
- Do not move sick or injured person(s).
- Be careful to avoid personal contact with any body fluids such as blood, vomit, or saliva.

Family Educational Rights and Privacy Act of 1974

The FERPA is a Federal law designed to protect the privacy of a student's education records. The law applies to all schools which receive funds under an applicable program from the U.S. Department of Education.

The FERPA gives certain rights to parents regarding their children's education records. These rights transfer to the student or former student who has reached the age of 18 or is attending any school beyond the high school level. Students and former students to whom the rights have transferred are called eligible students.

Parents or eligible students have the right to request that a school correct records believed to be inaccurate or misleading. If the school refuses to change the records, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still refuses to make the corrections, the parent or eligible student has the right to place a statement in the records commenting on the contested information in the records.

Generally, the school must have written permission from the parent or eligible student before releasing any information from a student's record. However, the law allows schools to disclose records without consent, to the following parties:

- School employees who have a need-to-know.
- Other schools to which a student is transferring.
- Parents when a student over 18 is still dependent.
- Certain government officials in order to carry out lawful functions.
- Appropriate parties in connection with financial aid to a student.
- Organizations doing certain studies for the school.
- Accrediting organizations.
- Individuals who have obtained court orders or subpoenas.
- Persons who need to know in cases of health and safety emergencies.
- State and local authorities to whom disclosure is required by state laws adopted before November 19, 1974.

Schools may also disclose, without consent, "directory" type information such as student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, the school must tell parents and students of the information that is designated as directory information and provide a reasonable amount of time to allow the parent or eligible student to request the school not to disclose that information about them. Schools must notify parents and eligible students of their rights under this law. The actual means of notification is left to each school. If you wish to see your records, you should contact the school for the procedure to follow. Any questions or concerns under this act should be directed to: Family Policy Compliance Office, Dept. of Ed., 400 Maryland Avenue, SW, Room 3017, Washington D.C. 20202-4605 or you may call (202) 401-2057.

Procedure for Maintaining and Safeguarding Student Records

- All student financial records are kept in a locked cabinet which is located in the financial aid office.
- The financial aid office is locked when unoccupied.
- The financial aid officer and the school owners are the only persons who have keys to the student files. No other employees have keys to the file cabinets.
- Student records are maintained on a computer software system called Genesis. This is a live, on line system with a daily back up. All data is stored in an off-site location.

Title IV Funding – General Information

The School educates students and/or parents in all options of financial aid available to those who qualify. We understand that all students'/family's needs are unique. We are committed to the student's educational success, a part of which includes securing the proper funding. The information from the FAFSA, provided by the student and/or parent, in conjunction with state and federal regulations determines eligibility for available programs. Many parents borrow money to help cover educational costs and living expenses for their daughter/son.

Types of Financial Aid Available

At this time the School is only offering Pell Grants, and while the information contained in the catalog includes loan information the School is currently not participating in the loan programs but may offer loans in the near future.

Federal Pell Grant (Need Based Aid)

Pell Grants provide a foundation of financial assistance that may be supplemental by other resources and doesn't have to be repaid after graduation. Pell Grants are determined after the financial status of a student is fully reviewed. Based on a student's financial circumstances, a specific amount of money is disbursed annually toward the student's education through the Pell Grant. How much you can expect to receive from a Pell Grant is solely based on your financial situation and other criteria.

William D. Ford Direct Stafford Loans (Need & Non-Need Based Aid)

Loans made through this program are referred to as Direct Loans, because eligible student and parents borrow directly from the US Department of Education. You must be enrolled at least a half-time student to be eligible for a loan. Direct Loans include the following:

Direct Stafford Loans

- Direct Subsidized Loans – you must have financial need to receive a subsidized loan. The US Department of Education will pay (subsidize) the interest that accrues on your Direct Subsidized Loan during certain periods.
- Direct Unsubsidized Loans – financial need is not a requirement to obtain an unsubsidized loan. You are responsible for paying the interest that accrues on your Direct Unsubsidized Loan.
- Direct PLUS Loans (Plus Loans) are loans parents can obtain to help pay the cost of education for their dependent undergraduate children.

The institution is not currently offering William D. Ford Direct Stafford Loans.

G.I. Bill

If you have spent time in the military, you are eligible to use your G.I. Bill toward your education. The G.I. Bill was specifically designed for college or vocational education. Certified by State Approving Agency for Veterans' Educational Benefits. *These approvals are state and school specific and may not apply to all schools. To apply go to www.gibill.va.gov. Bring certificate of eligibility to the FAO office to begin enrollment certification with VA.

- have a high school diploma, GED or equivalent
- complete the FAFSA for each financial aid year the student is eligible for aid
- comply with The School Satisfactory Academic Progress Policy
- not be in default on previous student loans
- not owe repayment on an adjusted Pell Grant

- be a citizen or eligible non-citizen
- have resolved any drug convictions

Steps To Apply for Title IV Aid

1. The student must complete the FAFSA for each financial aid year in which the student is eligible to receive aid. The Department of Education (DOE) prefers students complete a web FAFSA at www.fafsa.ed.gov. To complete a web FAFSA, the student will need an electronic pin number. This can be obtained at www.pin.ed.gov. This pin is unique to each FAFSA applicant and cannot be shared with anyone else as it acts as the student's signature required to submit a FAFSA. A parent of a dependent student must also apply for a pin. The parent is required to sign the web FAFSA with their uniquely created pin.

Cincinnati School of Barbering & Hair Design, Inc. – Cincinnati, Ohio Consumer Information 2019

2. Once a pin number has successfully been created, a web FAFSA can now be completed. Be sure to follow all instructions when completing the FAFSA. Enter *The Institution's School Code*, **042549** for Cincinnati School of Barbering & Hair Design, Inc., Cincinnati, Ohio. This will allow disclosure of information from the FAFSA to the school chosen by entering the school code. In the case of a dependent student, both the student and one parent will need to complete and sign the FAFSA application in order to be eligible for a Pell Grant. Dependency status is determined by the information that is filled out on the students FAFSA.
3. If the parents of a dependent student refuse to provide information on the FAFSA; the student will not be eligible for Pell Grants and will only be eligible for unsubsidized funding.
4. Once the FAFSA is complete, the student will receive a SAR (Student Aid Report). The School will be sent an ISIR (Institutional Student Information Record) for all students who list their school code. All verification and/or corrections must be completed prior to qualifying for aid.
5. If a student's FAFSA is selected for verification, the student will receive The School's verification policy and a verification worksheet. The student is required to return the verification worksheet completed, as well as provide any other requested documents. If parent information is entered in the FAFSA, or the student is a dependent, parents may need to provide additional requested documents. If selected, this verification process must be completed before a student can receive federal aid. The verification process could result in a corrected ISIR and new Expected Family Contribution (EFC) number which could affect the student's unmet need and eligible need based aid, Stafford Subsidized Loans and Pell Grants.
6. The Primary EFC provided on the student's ISIR will be used to calculate need and unmet need analysis through the Cost of Attendance Worksheet. This Primary EFC number corresponds with the number of months in each academic year. The Cost of Attendance Budget for each academic year includes the student's tuition costs per academic year. These costs include tuition, applicable fees, kit and books (per the academic year in which the cost is incurred), room and board, personal expenses and transportation costs.
7. The School utilizes the information presented on the student's ISIR and the NSLDS (National Student Loan Data System) to determine the student's eligibility and to calculate the student's unmet need for the student's grade level. This is done in compliance with the Cost of Attendance Budget grade level limits based on hours in the academic year.
8. Students who desire low interest Stafford Federal Student Loans must complete a Master Promissory Note or Electronic Master Promissory Note (E-MPN) at www.studentloans.gov
9. Parents desiring to take out a low interest Federal Parent Plus Loan on behalf of their dependent daughter or son must complete a Consent to Credit Check document that is made available by the Financial Aid Office. This form must be returned completed along with a readable copy of the parents Drivers License or State ID.
10. Students must complete the Entrance Loan Counseling prior to the student receiving a disbursement of any Federal loans. For Direct Loans, students may access Entrance Loan Counseling at www.studentloans.gov
11. Students will need to accept or decline eligible aid by completing the Students Financial Aid Award Notice with the Financial Aid Administrator.
12. Accepted aid will be listed on the student's award letter.
13. Students are required to notify The School's Financial Aid Officer if they receive any additional financial assistance before or after an award letter has been issued. Scholarships or other types of financial aid could be reported throughout the year. If additional awarded aid causes the student to exceed the cost of attendance, it may be necessary to reduce the amount of previously awarded aid.
14. Students will complete said process for the 1st academic year (1-900 hours) and 2nd academic year (901-1500 hours).

Special Circumstances – Dependency Override & Professional Judgement

Dependency Override – Students who do not meet the Federal definition of an independent, but have unusual circumstances, may appeal their dependency status to The School's Financial Aid Office. Dependency Status overrides are done on a case by case basis and a determination from one Financial Aid Administrator at one institution is not binding at another institution. Successful appeals may result in an increase in the student's eligibility for aid. The Application and Verification Guide (AVG) has identified four conditions that individually or in combination with one another, **do not qualify as "unusual circumstances" or that do not merit a dependency override**. These circumstances are as follows:

1. Parents refusing to contribute to the student's education
2. Parents unwilling to provide information on the application or for verification
3. Parents are not claiming the students as a dependent for income tax purposes
4. Student demonstrates total self-sufficiency.

Students with special circumstances should contact The School's Financial Aid Office. Those students whose appeals are determined eligible will be required to submit three letters detailing the student's situation. The first letter must be

Cincinnati School of Barbering & Hair Design, Inc. – Cincinnati, Ohio

Consumer Information 2019

from the student detailing their situation and the other two letters must be from outside sources familiar with the student's situation (i.e.: Clergy, family friend, counsellor, etc.)

Professional Judgement – Circumstances beyond the student's control (and/or family) that affect the student's (and/or family) income during the current academic year could result in a reduced estimated family contribution (EFC). Students with special circumstances should always complete a FAFSA and then contact the Financial Aid office. If a student wishes to appeal the EFC based on special circumstances and is determined eligible to do so, the student should complete a Professional Judgement form and may be requested to supply supporting documentation of said circumstances.

Verification

Students selected by CPS (Central Processing System) for the process of verification are frequently required to submit additional information and/or parents' financial & household information to the finance office. The verification procedures will be conducted as follows:

1. When selected by CPS for the process of verification, the student must submit all required documentation to the finance office within 14 days from the date the student is notified that the additional documentation is needed for this process.
2. If the student does not provide all of the required documentation within the 14 day time frame, the student will be required to make other payment arrangements until the documentation is received and the student's eligibility for federal student aid has been established.
3. The finance office reserves the right to make exceptions to the policy stated above on a case by case basis for extenuating circumstances.
4. The finance office will notify the student of any changes to their financial aid award resulting from corrections made due to the verification process. An adjustment will be made to the student's financial aid award as required by federal regulations and an addendum to the existing award letter or a new award letter will be issued.

Deferment

Students who are enrolled at least half time can apply for deferment of previous student loans while in attendance at The School. Please log on to www.nslds.ed.gov to find your current loan servicer and to find out more details on "in-school deferment".

Cost of Attendance Budgets (COA)

In order to determine a student's level of loan funding, the Department of Education requires us to develop annual cost of attendance budgets. These budgets include an average allowance for room & board, transportation, miscellaneous, loan fees and, if applicable, child care and expenses related to disability.

How funds will be disbursed:

In order to receive their Pell Grant students are required to have a Satisfactory Academic Progress (SAP) cumulative average of 75% in attendance and academics. This figure is arrived at by averaging grades from the following areas: classroom work, projects, and styling area performance, as well as a 75% or higher attendance requirement. The School uses a 100-point grading scale:

- 94% - 100% = A (Excellent)
- 86% - 93% = B = (Above Average)
- 75% - 85% = C (Average/Satisfactory)
- 0% - 74% = F (Unsatisfactory/ Failing)

The actual clock hour disbursement schedule for the Barber student is as follows:

1. First disbursement is scheduled for the first day of classes for Pell
2. Second disbursement after successful completion of 450 clock hours.
3. Third disbursement after successful completion of 900 clock hours.
4. Fourth disbursement after successful completion of 1200 clock hours.

The actual clock hour disbursement schedule for the Cosmetology Cross-Over student is as follows:

1. First disbursement is scheduled for the first day of classes for Pell
2. Second disbursement after successful completion of 500 clock hours.

Cincinnati School of Barbering & Hair Design, Inc. – Cincinnati, Ohio

At the time of disbursement, the student will sign a line receipt acknowledging the disbursement and the status of their account.

Disbursement of Credit Balance Refund Summary

If the student has financial aid that exceeds his or her tuition and fee charges for the academic year in which the disbursement occurred, the student will have a credit balance. All credit balance refunds will be issued by check within 14 calendar days of the date of disbursement.

A credit balance refund will be given to the parent if:

The amount of the PLUS loan is greater than the student's tuition and fees charges for the academic year in which the disbursement occurred. All credit balance refunds will be issued by check within 14 calendar days of the date of disbursement.

Effects of Student Loans

- If the student receives other forms of financial assistance such as scholarships it may reduce the student or the student's parent eligibility for Federal Aid.
- Loans must be repaid, even if the student does not finish their education. Loan repayment begins 6 months from the date of graduation or withdrawal.
- If a student does not return from a maximum 6 month Leave of Absence, the student's loans immediately enter repayment.
- Failure to repay a student loan will leave a negative mark on the borrower's credit.
- Over borrowing of student loans may cause a borrower to pay more than their earning potential can handle, especially during the early years of repayment.

Loan Disclosures

- Student loan information published by the US Department of Education (The Guide to Federal Student Aid) is available in the Financial Aid Office.
- NSLDS (National Student Loan Data System) – student loans will be submitted to the NSLDS and will be accessible by guaranty agencies, lenders and schools determined to be authorized users of the data system.

Student (Borrower) Responsibilities

1. Borrower – it is the responsibility of the student to:
 - Think about how much you are borrowing: how the amount of loan will affect your future finances, and what your repayment obligation means before you take out a student loan.
 - Students will need to accept or decline eligible aid. Accepted aid will be listed on the student's award letter.
 - Sign a promissory note: you are agreeing to repay the loan according to the terms of the note even if you do not complete your education, can't get a job after you complete the program, or you didn't like the education that you received. You can do this online at www.studentloans.gov. This promissory note can be signed electronically or hard copy before any loan funds can be disbursed.

Cincinnati School of Barbering & Hair Design, Inc. – Cincinnati, Ohio Consumer Information 2019

- Make payments on time: you are required to make payments on time if you don't receive a bill, repayment notice, or a reminder. You also must make monthly payments in the full amount required by your repayment plan. Partial payments do not fulfill your obligation to repay your student loan on time.
 - Continue to pay your loans while waiting for deferment or forbearance approval.
 - Keep in touch with your loan servicer: notify your servicer when you graduate; withdraw from school, drop below half-time status, change your name, address, or social security number; or transfer to another school.
2. Entrance Counseling: First-time borrowers must complete an entrance counseling session before your first loan disbursement. This session includes useful tips and tools to help you develop a budget for managing your education expenses and help you to understand your loan responsibilities. Each student will complete the Department of Education's entrance counseling online at www.studentloans.gov.
- Review deferment
 - Importance of keeping financial aid papers
 - Reinforce the importance of repayment
 - Importance that loan repayment is required even if the student does not finish their education
 - Default and its consequences
 - How to use the MPN or E-MPN
 - Explain interest and capitalization
 - Provide sample monthly repayment amounts and the importance of not over borrowing
 - NSLDS and how to access the system
 - Contact information for questions
 - Notification of change of name or address
 - Withdrawal from the program and how the withdrawal will affect the student
3. Exit Counseling: Students must complete exit counseling before you leave school to make sure you understand your rights and responsibilities as a borrower. Each student will complete the Department of Education's exit counseling online at www.nsls.ed.gov and www.studentloans.gov as well as discuss the following during your personal appointment with the FAO:
- Review information concerning loans from entrance interview
 - Review repayment options including seriousness and importance
 - Review average indebtedness of student borrowers and anticipated monthly repayment amount
 - Provide information on loan consolidation (pros and cons)
 - Discuss how to contact the party servicing the student borrowers direct loans
 - Discuss debt management strategies
 - Provide information on forbearance, deferment and cancellation options
 - Describe the likely consequences of default
 - How to access the NSLDS website and availability of FSA Ombudsman's office
 - Help the borrower understand their rights and responsibilities concerning loan repayment
 - Collect updated personal contact information for the borrower
4. Repayment of Loans: There is a set time period after a student graduates, leaves the school or drops below half-time status before the student must begin repayment of loan(s). This period of time is called a grace period and gives the student the time to get financially settled and select a repayment plan. The grace period for a Direct Stafford loan is six months. Plus Loans do not have a grace period. Depending on the type of loan a student receives and the repayment plan chosen, the student may have from 10-25 years to repay the loans. Monthly repayment amount will depend on the type of loan, size of debt, length of repayment period and repayment plan chosen. For more information, go online to www.studentaid.ed.gov/repaying.

Refund Policy - Institutional Refund Policy

For applicants who cancel enrollment or students who withdraw from enrollment a fair and equitable settlement will apply. The following policy will apply to all terminations for any reason, by either party, including student decision, course or program cancellation, or school closure.

Any monies due the applicant or students shall be refunded within 45 days of official cancellation or withdrawal. Official cancellation or withdrawal shall occur on the earlier of the dates that:

1. An applicant is not accepted by the school. The applicant shall be entitled to a refund of all monies paid.
 2. A student (or in the case of a student under legal age, his/her parent or guardian) cancels his/her enrollment in writing within three business days of signing the enrollment agreement. In this case all monies collected by the school shall be refunded, regardless of whether or not the student has actually started classes.
 3. A student cancels his/her enrollment after three business days of signing the contract but prior to starting classes. In these cases he/she shall be entitled to a refund of all monies paid to the school less the registration fee in the amount of \$75.
 4. A student notifies the institution of his/her withdrawal in writing.
 5. A student on an approved leave of absence notifies the school that he/she will not be returning. The date of withdrawal shall be the earlier of the date of expiration of the leave of absence or the date the student notifies the institution that the student will not be returning.
 6. A student is expelled by the school. (Unofficial withdrawals will be determined by the institution by monitoring attendance at least every 14 calendar days.)
 7. In type 2, 3, 4 or 5, official cancellations or withdrawals, the cancellation date will be determined by the postmark on the written notification, or the date said notification is delivered to the school administrator or owner in person.
- For students who enroll and begin classes but withdraw prior to course completion (after three business days of signing the contract), the following schedule of tuition earned by the school applies. All refunds are based on scheduled hours:

PERCENT OF SCHEDULED TIME ENROLLED TO TOTAL COURSE/PROGRAM	TOTAL TUITION SCHOOL SHALL RECEIVE/RETAIN
0.01% to 04.9%	20%
5% to 09.9%	30%
10% to 14.9%	40%
15% to 24.9%	45%
25% to 49.9%	70%
50% and over	100%

- All refunds will be calculated based on the students last date of attendance. Any monies due a student who withdraws shall be refunded within 45 days of a determination that a student has withdrawn, whether officially or unofficially. In the case of disabling illness or injury, death in the student's immediate family or other documented mitigating circumstances, a reasonable and fair refund settlement will be made. If permanently closed or no longer offering instruction after a student has enrolled, the school will provide a pro rata refund of tuition to the student OR provide course completion through a pre-arranged teach out agreement with another institution. If the course is canceled subsequent to a student's enrollment, the school will either provide a full refund of all monies paid or completion of the course at a later time. If the course is cancelled after students have enrolled and instruction has begun, the school shall provide a pro rata refund for all students transferring to another school based on the hours accepted by the receiving school OR provide completion of the course OR participate in a Teach-Out Agreement OR provide a full refund of all monies paid.
- Students who withdraw or terminate prior to course completion are charged a cancellation or administrative fee of \$150.00. This refund policy applies to tuition and fees charged in the enrollment agreement. Other miscellaneous charges the student may have incurred at the institution (EG: extra kit materials, kit and books, products, unreturned school property, etc.) will be calculated separately at the time of withdrawal. All fees are identified in the catalog and in this enrollment agreement.
- If a Title IV financial aid recipient withdraws prior to course completion, a calculation for return of TIV funds will be completed and any applicable returns by the school shall be paid, as applicable, The order of returns is: Unsubsidized Federal Stafford Student Loan; Subsidized Federal Stafford Student Loan; Parent Loan for Undergraduate Students (PLUS); Federal Pell Grant; and, Other Federal, State, Private, and Institutional student

assistance programs; and last to the student. After all applicable returns to TIV aid have been made, this refund policy will apply to determine the amount earned by the school and owed by the student. If the student has received personal payments of Title IV aid, he/she may be required to refund the aid to the applicable program.

Determination Date/Withdrawal Date (Official/Unofficial Withdrawal):

The last date of attendance would be the last day the student was physically in attendance at the school. A withdrawal date on a student who had been previously attending could be up to, but not to exceeding, 14 calendar days from that student's actual last date of attendance. An active student officially withdraws when they notify the school's administrative office of their intention to withdraw from school. An active student is considered unofficially withdrawn when they have been absent for 10 consecutive school days (14 calendar days) from their last date of physical attendance without notifying the school's administrative office.

Return of Title IV Funds

A student (or in the case of dependent minor, his/her parent or guardian) may cancel their enrollment by giving notice to the school.

An official notification of cancellation or withdraw is in the form of a written, electronic, telephone and/or personal appearance notification to School Administration.

- In the case of a written or an electronic notification, the official notification of cancellation date will be determined by the postmark or received date on the written or electronic notification by the student.
- In the case of a notification received by telephone, the official notification of cancellation date will be determined by the date the telephone conversation occurred. This will officially be recorded on the student's record file.
- In the case of a notification received by personal appearance, the official notification of cancellation date will be determined by the date of the appearance of the student. This will officially be recorded on the student's record file.

An unofficial withdraw/termination would result from a student being absent 14 consecutive calendar days or failure to return on the documented leave of absence return date. In such case the school will provide written notification of termination to the student's contract enrollment agreement. The official notification of termination date will be the date that is stated on the written notice. The date of the last day of attendance will be determined from the student's last clock in – out date as recorded by the school's attendance record.

The law specifies how your school must determine the amount of Title IV program assistance that you earn if you withdraw from school. The Title IV programs that are covered by this law are: Federal Pell Grants, Stafford Loans, PLUS Loans.

Determination Date/Withdrawal Date (Official/Unofficial Withdrawal): The last date of attendance would be the last day the student was physically in attendance at the school. A withdrawal date on a student who had been previously attending could be up to, but not to exceeding, 14 calendar days from that student's actual last date of attendance. An active student officially withdraws when they notify the school's administrative office of their intention to withdraw from school. An active student is considered unofficially withdrawn when they have been absent for 10 consecutive school days (14 calendar days) from their last date of physical attendance without notifying the school's administrative office.

When you withdraw during your payment period or period of enrollment (your school can define these for you and tell you which one applies) the amount of Title IV program assistance that you have earned up to that point is determined by a specific formula. If you received (or your school or parent received on your behalf) less assistance than the amount that you earned, you may be able to receive those additional funds. If you received more assistance than you earned, the excess funds must be returned by the school and/or you.

The institution determines the earned and unearned portions of Title IV aid as of the last date of attendance based on the amount of time the student was scheduled to be in attendance. The percentage of the period completed is determined by dividing the number of hours the student was scheduled to complete in the payment period, as of the last date of attendance, by the total number of clock hours in the payment period.

Up through the 60% point in each payment period, a pro rata schedule is used to determine the amount of Title IV funds the student has earned at the time of withdrawal. After the 60% point in the payment period, a student has earned 100% of the Title IV funds he or she was scheduled to receive during the period. The amount of Title IV aid earned by the student is determined by multiplying the percentage of Title IV aid earned by the total of Title IV aid disbursed or the Title IV aid that could have been disbursed to the student or on the student's behalf.

For example: 450 hours in the payment period

Cincinnati School of Barbering & Hair Design, Inc. – Cincinnati, Ohio

Consumer Information 2019

- The student was scheduled to complete 225 hours as of the student's last date of attendance
- Percentage of Aid earned equals 50%. This is calculated by dividing the scheduled hours as of the last date of attendance divided by total hours in the payment period. (225/450)
- Amount Title IV Financial Aid Earned equals \$1250. This is calculated by multiplying the total aid disbursed or could be disbursed by the percentage of aid earned \$1250 (2500x50%)

If you did not receive all of the funds that you earned, you may be due a post-withdrawal disbursement. If the post-withdrawal disbursement includes loan funds, you may choose to decline some or all of the loan funds so that you don't incur additional debt. Your school may automatically use all or a portion of your post-withdrawal disbursement of grant funds for tuition, fees, and room and board charges (as contracted with the school). For all other school charges, the school needs your permission to use the post-withdrawal disbursement. If you do not give your permission (which some schools ask for when you enroll), you will be offered the funds. However, it may be in your best interest to allow the school to keep the funds to reduce your debt at the school.

There are some Title IV funds that you were scheduled to receive that cannot be disbursed to you once you withdraw because of other eligibility requirements. For example, if you are a first-time, first-year undergraduate student and you have not completed the first 30 days of your program before you withdraw, you will not receive any Direct Loan funds that you would have received had you remained enrolled past the 30th day. If you receive (or your school or parent receive on your behalf) excess Title IV program funds that must be returned, your school must return a portion of the excess equal to the lesser of: your institutional charges multiplied by the unearned percentage of your funds, or the entire amount of excess funds. The school must return this amount even if it didn't keep this amount of your Title IV program funds. If your school is not required to return all of the excess funds, you must return the remaining amount. Any loan funds that you must return, you (or your parent for a PLUS Loan) repay in accordance with the terms of the promissory note. That is, you make scheduled payments to the holder of the loan over a period of time.

Any amount of unearned grant funds that you must return is called an overpayment. The maximum amount of a grant overpayment that you must repay is half of the grant funds you received or were scheduled to receive. You must make arrangements with your school or the Department of Education to return the unearned grant funds.

The requirements for Title IV program funds when you withdraw are separate from any Institutional Refund Policy that your school may have. Therefore, you may still owe funds to the school to cover unpaid institutional charges. Your school may also charge you for any Title IV program funds that the school was required to return.

Return of Funds by the School

The school will make the refund determination within thirty (30) days from the date of withdraw/termination and return the unearned funds for which the School is responsible as soon as possible, but no later than 45 days after the date of student withdraw/termination.

The school must return the unearned aid for which the school is responsible by repaying funds to the following sources, in order, up to the total net amount disbursed from each source.

Title IV Programs

Unsubsidized Federal Stafford Student Loan;
Subsidized Federal Stafford Student Loan;
Parent Loan for Undergraduate Students (PLUS);

Satisfactory Academic Progress Policy (SAP)

The Satisfactory Academic Progress Policy is consistently applied to all students enrolled at the school regardless of form of payment, cash pay or Title IV HEA Program funds. It is printed in the catalog to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

EVALUATION PERIODS

Students are evaluated for Satisfactory Academic Progress as follows.

Cincinnati School of Barbering & Hair Design, Inc. – Cincinnati, Ohio

Consumer Information 2019

Program	Evaluation Period	Academic Year
Barber	450, 900 and 1350 actual clocked hours	900 clock hours
Cosmetology Cross-Over	500 actual clocked hours	1000 clock hours*Transfer

Students- Midpoint of the contracted hours or the established evaluation periods, whichever comes first. SAP evaluations periods are based on actual contracted hours at the institution.

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have ample opportunity to meet both the attendance and academic progress requirements of at least one evaluation by midpoint in the course or academic year, whichever occurs sooner. All periods of enrollment are included in the SAP calculation for Title IV eligibility and otherwise.

ATTENDANCE PROGRESS EVALUATIONS

Students are required to attend a minimum of 75% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory academic progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 75% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

MAXIMUM TIME FRAME

The maximum time (which does not exceed 133% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below:

COURSE	MAXIMUM TIME ALLOWED	
	SCHEDULED WEEKS	SCHEDULED HOURS
Barber (Full time, 35 hrs/wk) - 1800 Hours	69 Weeks	2394
Barber (Part time, 25 hrs/wk) - 1800 Hours	96 Weeks	2394
Cosmetology Cross-Over (Full time, 35 hrs/wk) – 1000 Hours	38 Weeks	1330
Cosmetology Cross-Over (Part time, 25 hrs/wk) – 1000 Hours	53.20 Weeks	1330

The maximum time allowed for transfer students who need less than the full course requirements will be determined based on 75% of the scheduled hours. Students who have not completed the course within the maximum timeframe may continue as a student at the institution on a cash pay basis. However, all barber students must graduate within 2.5 years of their class start date, including any leave of absences, or will be terminated from the institution.

All courses offered by the institution are clock hour programs and all students attend on a continuous basis. Therefore, we do not offer term or credit hour based programs. Enrollment is based on one period of continuous enrollment which counts towards satisfactory academic progress and maximum time-frame, including any time in that period where a student would not receive Title IV, HEA program funds. The period of enrollment includes, fall, winter, spring, and summer, as applicable to the student's enrollment agreement.

ACADEMIC PROGRESS EVALUATIONS

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better. If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Students must pass a final written and practical exam for the applicable course prior to graduation. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

- 94% - 100% = A (Excellent)
- 86% - 93% = B = (Above Average)
- 75% - 85% = C (Average/Satisfactory)
- 0% - 74% = F (Unsatisfactory/ Failing)

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements of a 75% for academics and 75% for attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard-copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV, HEA Program funds interrupted, as applicable, unless the student is on warning.

Cincinnati School of Barbering & Hair Design, Inc. – Cincinnati, Ohio

Consumer Information 2019

WARNING

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she will be determined as NOT making satisfactory academic progress, will be deemed ineligible to receive Title IV, HEA Program funds, as applicable, and will be terminated from the program unless financial arrangements are made with the school.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS

Students may re-establish satisfactory academic progress and Title IV, HEA Program funds, as applicable, by meeting minimum attendance and academic requirements at the next scheduled evaluation. Students can make up hours during course times the student is not normally scheduled for attendance. Students may begin attending makeup hours as they are needed.

INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal. If a student is considering pursuit of a second program, they must graduate or withdraw from the current program. If a student decides to switch a program, the current SAP will start over with the new program. The old program SAP will no longer apply.

NONCREDIT AND REMEDIAL COURSES

Noncredit and remedial courses do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

TRANSFER HOURS

With regard to Satisfactory Academic Progress, a student's transfer hours from other institutions will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted. SAP evaluations periods are based on actual contracted hours at the institution.

NOTE: Withdrawal passing/withdrawal failing and appeals are not applicable to this institution.

Leave of Absence (LOA) Policy

This policy applies to all students enrolled in the school. A student who must take an approved Leave of Absence (LOA) or must withdraw from training will return to school in the same satisfactory academic progress status as prior to the leave of absence. A student may be granted a LOA for any of the following reasons and where there is a reasonable expectation that the student will return from the LOA:

1. Financial Hardship
2. Medical Issues
3. Personal or Family Related Matters
4. Incarceration

The LOA must be requested in writing using the form provided by the school and approved in writing prior to LOA occurring. In addition, the student is required to list the reason for the LOA and their signature is required on the LOA form. Emergency LOA, without prior written request, may be granted provided the student completes the LOA form and returns it to school via mail or in person within reasonable resolution of the emergency. In an instance of an emergency LOA, the beginning date of the approved LOA would be determined to be the first date the student was unable to attend due to the emergency. Additionally, the institution will document the reason for its decision to grant the emergency LOA on the LOA form. A student who is granted a LOA that meets the above mentioned criteria is not considered to have withdrawn from the institution and a refund calculation is not required.

The maximum time frame for a LOA is 180 calendar days and the minimum is 2 weeks or 14 calendar days. The institution permits more than one LOA. However, all of the leaves of absence added together must not total more than 180 calendar days per enrollment period.

Cincinnati School of Barbering & Hair Design, Inc. – Cincinnati, Ohio

Consumer Information 2019

If the student does not return from the LOA on the date designated, the student will be withdrawn from the institution. The institution is required to take attendance and therefore the withdrawal date for the purpose of calculating a refund will be the student's last date of attendance.

The student's contract end date and maximum time frame will be extended for the same number of days the student was on LOA without any additional institutional charges or penalty to the student. Changes to the contract period on the enrollment agreement must be initialed by all parties or an addendum must be signed and dated by all parties.

If a student is absent 14 consecutive calendar days without being on an official Leave of Absence, they will be considered withdrawn. The institution is not responsible for any equipment left at the school.

Grievance Policy

Grievance procedures are provided for students who believe that they have been unlawfully discriminated against, unfairly treated, or harassed in any way. Academic grievances relates to a complaint about a course, program of study, or grade.

Students are expected to address any disagreements or conflict directly with the individual involved in person with a written document outlining the complaint and communication. After this, if there is no satisfactory resolution, the student may set an appointment to see the school director. All communications regarding the complaint must be in writing and all meetings and communications will be documented in the student files. The grievance policy is as follows:

1. Complaints against students or employees must be made within one week of the issue.
2. If the complaint cannot be resolved formally the student shall write up the details and submit to the school director who will research the issue and respond with a resolution. Once received, solutions will be evaluated and returned within 10 business days with a resolution
3. If the complaint cannot be resolved after exhausting the institution's grievance procedure, the student may contact:
